

Navy Safe Harbor Foundation aims to ensure that every service member is given an opportunity for full recovery after a serious injury by coordinating the non-medical care of seriously wounded, ill and injured Sailors and Coast Guardsmen, and provides resources and support to their families.

Enrollment in the Navy Wounded Warrior – Safe Harbor is available to service members wounded in combat, as well as to those diagnosed with a serious illness or injured in

shipboard, training and liberty accidents.

- High risk non-seriously wounded, ill, or injured Sailors, Coast Guardsmen, and their families (on a case by case basis)
  - Families in Crisis
  - Special Interest

## Navy Safe Harbor Anchor Program

The Anchor Program helps Navy Wounded Warrior – Safe Harbor carry out its promise to provide transition assistance to seriously wounded, ill, and injured Sailors and Coast Guardsmen, as well as their families. It provides them with an invaluable network of support during a critical chapter of their lives – the conclusion of their military careers. The Anchor Program matches Sailors and Coast Guardsmen in transition with sponsors in their communities, perhaps from a local Reserve component and/or from local veteran groups. Some sponsors are active-duty Sailors and Coast Guardsmen, as well. Though participating in the Anchor Program is purely voluntary, Navy Wounded Warrior – Safe Harbor urges all of its enrollees to take advantage of this important service. If you are interested in becoming an Anchor Program sponsor, please contact the Anchor Program Coordinator at 202-433-9149. Access the [Anchor Program sponsor guide](#), and learn about what it takes to sponsor wounded warriors. To hear more about the Anchor Program, visit Navy Wounded Warrior – Safe Harbor's [YouTube channel](#).
